

## Special Announcement

Dear Parents and Friends :

We are participating in the "Kroger Plus Card for Education School Program". All credit is earned electronically through the Kroger Plus Card. This program is designed to help us earn much needed educational equipment for our school. This equipment will be used by our students to further enhance their education and we need your help.

### Win Free Groceries and an iPod!

The more you shop at Kroger, the more chances you get to win Free Groceries and an iPod shuffle\*

### Here's just how easy it is!

1. **Make sure you have a Kroger Plus Card. If you do not, please get one for free at any participating Kroger Store at the customer service counter.**
2. Cut the attached form into four along the dotted lines.
3. Give one to co-workers, family or friends.
4. Take one to a Kroger store and ask the cashier to scan our bar code along with your Kroger Plus Card. This will register your card for our school.
5. After you register, every time you shop at Kroger and use your Kroger Plus Card, our school will **automatically** receive credit and you will get an additional chance to win prizes.
6. You only have to register once and from September 24, 2007 until April 21, 2008 our school will earn credits!

Thank you in advance for your help and support. We will keep you updated on our progress.

Sincerely,

Your Kroger Plus Card for  
Education School Program  
School Coordinator
